Pre Appointment Oral Sedation Patient Instructions

- Please do not have anything to eat or drink the morning of your appointment.
- A responsible adult (18 or older) must accompany you to our to the office and must drive you home from your appointment.
- A parent or legal guardian must always accompany patients under the age of 18 years.
- If you take daily medications, the doctors will provide special instructions for you.
- Please wear loose fitting clothing with sleeves which can be rolled up past the elbow, and low-heeled shoes (no flip-flops or sandals).
- Do not wear contact lenses to your appointment.
- If you have an illness such as a cold, sore throat, upset stomach or GI distress, please notify the office as soon as possible before the appointment. Your procedure may need to be rescheduled.
- Do not drive a vehicle, operate any machinery, or undertake important matters for the rest of the day following your sedation experience.
- You should plan to rest the remainder of the day. Someone should be available to check on you throughout the day and to provide assistance if necessary.
